- Plan also includes cutting down diesel inventories to a third to save ₹2,000 crore annually
- A policy to allow rolling stock exports that will give ₹4,000 crore earnings by 2020 on cards
- A new planning and investment organisation will be set up for strategic appraisal of projects and new Railway Board directorates

Mookerjee said the Railways' total cost savings of around ₹8,700 crore for 2015-16 announced in this year's Budget were likely to go up to ₹10,000 crore by the end of March 2016.

The rail ministry also wants to tackle the Pay Commission impact of ₹12,000 crore on account of salaries and another ₹8,000 crore on pension payments by tapping into the debt service fund, which has a balance of ₹4,000 crore, apart from the ₹3,000 crore parked in the pension fund.

Irani in a spot after children contradict her claim

HRD Minister Smriti Irani found herself in a spot on Monday when the children of a doctor killed in an accident on the Yamuna Expressway on Saturday night contradicted her claim that she had tried to help the injured and ensure they reached hospital.

On Saturday night, Irani escaped with minor injuries after a vehicle in her cavalcade allegedly hit a motorcycle killing one Dr Ramesh Nagar and injuring his daughter Sandali and nephew Pankaj.

However, the minister's office said in a statement the vehicle mentioned in the media reports of having hit the motorcycle had nothing to do with Irani's cavalcade and that she had directed SSP, Mathura, to arrange ambulance immediately so that injured could be given medical treatment at the earliest.
